

# Extremist Corey Simon would join his backers<sup>1</sup> to let people openly carry guns on school grounds.<sup>2</sup>

In North Florida we respect our Second Amendment rights and continue to look for commonsense solutions to gun violence. Corey Simon supporters reject that approach.

Corey takes his orders from the most extreme wing of the gun lobby. Their agenda would open the floodgates and put all of our community, our schools, and our families at risk:

- ✿ **Supporting the open sale of assault weapons**
- ✿ **Allowing open carry on school grounds**
- ✿ **Opposing background checks before gun purchases**

## North Floridians cannot trust extremist **Corey Simon.**
